April 9, 2018

Dear parents/guardians and eighth grade students;

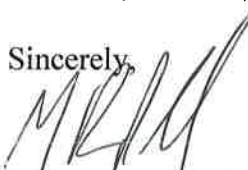

You are invited to attend an evening event for parents and eighth grade students, who are interested in attending Stafford High School next year. Please take advantage of this opportunity to become familiar with our faculty, program offerings and facility.

I hope that you will join me on Thursday, April 26, 2018, at 6:30 p.m. starting in the high school's auditorium. Our "Freshmen House" team leaders, school counselors, department chairpersons, teachers, administrators, some of our current students, and Partners in Education (PIE) will also be present to discuss our programs and answer your questions. We will also be showing a video depicting all the wonderful opportunities available here at Stafford High School.

In preparation for this exciting evening, you may wish to view a copy of our Program of Studies on our school website ([www.stafford.k12.ct.us](http://www.stafford.k12.ct.us)). If you do not have access to the internet, please call our school counseling office at (860) 684-4233 prior to the event to obtain a copy of the Program of Studies.

The staff, students, and I look forward to meeting you for this important informational evening.

Sincerely,

  
Marco R. Pelliccia  
Principal
