January 2, 2018

Parents and Guardians of Grade 8 students:

The time is here! We are in the home stretch of middle school and we need to start looking ahead to high school. Students have been exposed to their options for high school and many have made final decisions as to whether or not they will attend Stafford High School. We will be meeting to help all students *even those students who do not plan to attend* Stafford High School in the fall choose their classes! This is an exciting time of year for students. School counselors from Stafford High School, will be coming to speak with 8th graders about life at SHS and help them choose classes on Thursday, January 4th during their social studies class. Attached are the electives offered for freshman to choose from. Please talk with your child about their options and have them begin thinking about the options in advance of Thursday's course selection.

After your child has selected classes, the course selections form will be sent home with your child. Please speak with your child about their choices and ***sign and return*** the form to Mrs. Holland by ***Friday, January 19th***. If you have any questions please call Mrs. Holland or Mrs. Barrett at 860-684-2785 or Mr. Gascon at 860-684-4233.

Thank you,
Bethany Holland
School Counselor
