Students have a locker assigned to them. Access to these lockers is limited throughout the day. Students are encouraged to keep extra supplies in their lockers or at home. Lockers are tall and thin so keep this in mind when getting new backpacks or binders. Backpacks, phones, lunches, coats and other materials not needed for classes should be kept in the lockers.

Students will have a chromebook and charger assigned to them. The chargers cannot be stored in the cases behind the chromebook, as this damages the screen. Nothing other than the chromebook should be in the case, this includes pencils and headphones. It is strongly encouraged to keep chargers at home and charge chromebooks nightly, rather than during the school day.

We look forward to seeing you soon!
